

## Vermillion to Participate at 2019 Cantor Global Healthcare Conference

**AUSTIN, Texas, September 30, 2019 – Vermillion, Inc. (Nasdaq: VRML)**, a bioanalytical-based women’s health company focused on gynecologic disease, today announced that management will participate in one-on-one meetings at the 2019 Cantor Global Healthcare Conference, taking place October 2-4, 2019 in New York City.

### **About Vermillion, Inc.**

Vermillion, Inc. is dedicated to the discovery; development and commercialization of novel high-value diagnostic and bio-analytical solutions that help physicians diagnose, treat and improve gynecologic health outcomes for women. Vermillion, along with its prestigious scientific collaborators, discovers, develops, and delivers innovative diagnostic and technology tools that help women with serious diseases. The company’s initial in vitro diagnostic test, OVA1<sup>®</sup> (MIA), was the first FDA-cleared, protein-based In Vitro Diagnostic Multivariate Index Assay, and represented a new class of software-based liquid biopsy in vitro diagnostics. In March 2016, Vermillion received FDA clearance for Overa<sup>™</sup>, a Multivariate Index Assay 2nd Generation (MIA2G) test with significantly improved specificity and ease of use.
